A MESSAGE FROM THE HEADMASTER OF UNION HIGH SCHOOL:

It is always a privilege to be able to host an event of this nature and to extend a warm welcome to all our guest schools, parents and supporters who are attending our 21st annual Anne Beagley Junior Rugby and Hockey Festival.

The generous sponsorship from Caltex Eastern Cape and Botha's Garage has afforded the Union High School, and all involved, this wonderful opportunity in sport, and for this we wish to thank Mr Shawn Botha most sincerely for supporting this highlight of the winter season. We take pride in our association with these companies.

Our Junior Rugby and Hockey Festival has always tried to convey the idea that winning at all costs is neither the desired nor sole purpose connected to this occasion.

On the contrary, the most essential objective of the event is the fostering of educational principles such as sportsmanship and camaraderie, and the opportunity to establish possible life-long friendships within an atmosphere of conviviality, enjoyment and healthy rivalry. We therefore appeal to all role players to make the most of this special occasion.

All the coaches and managers in attendance need to be complimented on their willingness to give up some of their free time to extend the educational horizons for those in their care. May their experiences be hugely gratifying in all respects.

We consider all parents and supporters as very much part and parcel of the Festival and therefore cordially invite them to become involved in all the festivities on offer.

The Union High School Sports Department, Public Relations Office, teaching staff and coaches have put in a tremendous effort towards organizing this festival, which deserves our heartfelt praise and gratitude.

On behalf of the Union High School and the whole of Graaff-Reinet, we trust that all our visitors will thoroughly enjoy their Karoo experience and depart having gained a sense of real achievement and much enjoyment.

We wish all our visitors Godspeed and a safe journey home.

Yours in Sport
Mr W.E. Pringle
HEADMASTER

A MESSAGE FROM CALTEX EASTERN CAPE:

After an absence of two years, we are delighted to once again partner with Union High School to bring you the 21st annual Anne Beagley Junior Rugby and Hockey Festival.

Caltex is proud to be one of the leading fuel brands in the province and base our success on exceptional service in a safe and secure environment found at any of our fuel stations.

Our network of 112 fuel stations, under either the Caltex or Astron Energy brand, are spread across the entire Eastern Cape, and you will be sure to find a one enroute to the festival whether it is to fill up, freshen up or stretch your legs. (For services and facilities available at any of the Caltex or Astron Energy fuel stations in the Eastern Cape check out www.CaltexEC.co.za and go to "Find a Caltex").

The Caltex brand in the Eastern Cape is marketed and distributed by Eyona Energy, an independently owned Eastern Cape based company. We focus our community investment efforts on creating opportunities for building future leaders through education and sport. As a proudly Eastern Cape company all our efforts in this area are in the Eastern Cape. We also work hard to procure our (non-fuel) goods and services from the Eastern Cape. A 100% of our shareholding is held by Eastern Cape residents and / or companies, so every time you purchase fuel from a Caltex in the Eastern Cape you may be sure that you are investing in this province.

We wish you well as you prepare to travel to Graaff-Reinet in a few days' time. We encourage you to support the Caltex and or Astron Energy fuel stations along the way. Be sure to drop in at Botha's Garage (your festival co-sponsor and Caltex fuel partner), during the weekend as you will be spoilt for choice - from fuel to fresh fruit, take-away meals, and a service centre - all available in one spot for your convenience.

Remember - Caltex; it's how you get there.

We look forward to seeing you at the festival.
